Getting Started

Accounts & Access

You'll need access to these essential systems:

System	Purpose	Link
Discord	Internal communication	Discord Server
RT Ticketing	Ticket management	RT System
SharePoint	Documents & personal time registration	Students documents
DTU FUSION	Official time registration	DTU Fusion

Key Meetings

! Important Schedule

- **Team kick-off** approx. a month before the semester starts
- **One-on-one** with your direct manager
- **Team introductions** with all members
- **During semester** weekly status meeting with all members (approx. 30 min)

Required before you start

Selfstudy

- Getting familiar with the Python Installation Support site and subsites

You'll complete training on:

- Product walkthrough (internal tools, user-facing systems)
- Using the ticketing system and Discord
- DTU FUSION time registration system setup and usage

Success Milestones

After 30 Days...

By the end of your first month, you should be able to:

- **Confidently use all core tools**
- **Independently manage and resolve tickets**
- **Be familiar with team workflows**
- **Feel comfortable asking for help when needed**
